Look What a Satisfied User of Chicago Electric Hose Has to Say About It

Richmond, Va., May 23, 1914.

Mr. C. W. Vaughan, 16 E. Broad St., Richmond, Va.:

Dear Sir,—Some seven years ago I bought from you a twenty-five foot length of Chicago Electric garden hose. I wish to state that I have used this hose continuously for seven years, leaving it lie in the yard winter and summer, and it is only recently that it has shown leakage. If you will send to my home this specimen may be of some value to you in selling other people. It has lasted three times as long as any hose I have ever previously bought.

Yours very truly,

J. R. CRAWFORD.

If you have corns now, the chances are you have never used "GETS-IT," the biggest seller among corn cures ever known. It is the new way, does away with all trouble, pain and fussing in treating corns. Thousands who have

Get the Corns Off Your Feet, and the Corn Wrinkles Off Your Face. Nothing Can Do It Like "GETS-IT."

pattered with old corns for years, have gotten rid of them right off, with a few drops of "GETS-IT," applied as quick as you can spell your name. Corns just love to be cut, picked, filed, gouged and pulled. Quit it. Law-tered cotton rings that cause shooting corn pains, greasy salves that spread over the toe and around it, and tape that sticks to the stockings—now try "GETS-IT." It has none of the drawbacks of the old style corn cures, causes pain and never falls on any corn or callus.

"GETS-IT" is sold by all druggists as a bottle, or sent direct by E. Lawrence & Co., Chicago.—Advertisement.
